

Accuplacer Placement Testing

See Blue. U Orientation 2017

All Accuplacer testing takes place in the basement of W.T. Young Library, room B – 108A, beginning at 1:00 pm. Testing must be completed by 3:00 pm.

Because seating is limited, it is important that students register for testing at www.uky.edu/AE/accuplacer-registration . Failure to register may result in the student's inability to test on that day.

A government-issued photo ID must be presented at the time of testing. Students will also need to know their UK ID number and which test(s) they need to take.

UK offers Accuplacer Next-Generation Reading and Writing tests free of charge to incoming UK students on the following dates:

June 20th: 1:00 pm – 3:00 pm

June 21st: 1:00 pm – 3:00 pm
