

# How to: Access Your Degree Audit

The degree audit is an extremely useful tool that you can use at any time during your academic journey. The results take into consideration the courses you have completed, registered for, and planned to show you the progress you have made towards your degree. You can also see specific courses you may take to fulfill certain requirements and can explore your options.

## Step 1: Navigate to [myuk.uky.edu](http://myuk.uky.edu)
