Undergraduate Student Research Program

VPR/CAFE Funding Award Application for 2021/2022

About These Awards: Funding for undergraduate research opportunities is available now through the College of Agriculture, Food and Environment (CAFE). The funding for this 2021/22 academic year opportunity is provided by the UK Vice President for Research, through the Office of Undergraduate Research, and it is coordinated by the CAFE Center for Student Success and the CAFE Research Office.
Similar to the CAFE Research Activity Award program each fall, the focus of this funding is to enhance undergraduate's experience and innovation in research.

Thus, these awards will be made on a competitive basis to undergraduate students to gain research experience, complementing their coursework. Additionally, students selected by their program to apply will benefit from compiling the application for competition.

**Eligibility:** _Students applying for these funds must..._

- Be in good academic standing
- Have a written endorsement from their program Director of Undergraduate Studies or their advisor
- Be participating in an undergraduate student research project, a research seminars/symposia/workshops/etc.
- Have expenses associated with the aforementioned project or activity (e.g., travel to conduct research, lab materials, etc.)
- Enrollment in a 395 course, or similar research course, is encouraged but not required.

**Level of Support:** The awards will be available for up to $1,000. Funds are to be expended by June 30, 2022. There will be no extension period for this funding. Requests may include some level of department or other match.

**Application Deadline:** Applications should be submitted via this form by 5:00 p.m. on Thursday, September 20, 2021.
